

President's Corner - January 2008

This month's article will be quite brief as I am pushing the submission deadline.

Our Christmas party was held last Saturday in Little Lake at the American Legion post and the turnout was good. The weather cooperated and the food was excellent as it was a real "home cooked" meal. Lynn & I thought the food was much better than the restaurant fair we have had in recent years. I hope everyone enjoyed the evening as much as we did!

As we embark on a new year we will begin by planning a chapter events schedule and hope to introduce some of the fun events that we used to have when we were located at the old airport. I am hoping that we can schedule a few fly-out events and picnic style gatherings to enhance our monthly meetings. Last fall we had an impromptu gathering at Lynn Sykes hangar which proved to be a lot of fun and I think we should continue these in the spring. We may not have a chapter house yet but many of us have a piece of Sawyer we call our own in our private hangars.

Hope to see you all at this Saturday's meeting which will be held at Boreal Aviation.
